- ☐ No comment
☒ See comments below
☐ No action taken because of insufficient information
☐ Please send your formal application to us for review. Your attendance is requested ☐

The applicant should forward any written review comments to the funding agency. Any written response to those comments should be forwarded to the State Clearinghouse and also to the funding agency.

Comments:

(Amended Review)

Emery County, by this notice, expresses concern for the volume of dust being created by gypsum haul trucks and for the potential damage to county roads. The State offices of DEQ/or DOGM should monitor at least the dust situation to see that any applicable standards are not exceeded and that appropriate mitigations are employed.
